

# European stock corporation (SE)

Monistic (one-tier) or dualistic (two-tier)

Purchase Price: EUR 135,000  
incl. EUR 120,000 share capital

Immediate availability

Our European stock corporations (SEs) shelf companies are duly incorporated and registered with the commercial register in Germany. The companies have no business history. Our SE shelf companies are available with a monistic (one-tier) or dualistic (two-tier) structure.

The SEs have a bank account holding the fully paid-up share capital.

Our SEs are available immediately and can be acquired anytime.

The purchase price amounts to EUR 135,000 including EUR 120,000 share capital. Blitzstart assumes any formation and administrative costs incurred.

## About us

Blitzstart is one of the leading shelf company providers on the German market and has established and sold more than 10,000 shelf companies since 1998. Our customers are law firms, lawyers, tax consultants, major companies, entrepreneurs and private individuals. Our board members are attorneys admitted to the bar who have many years of experience and expertise. Our long-standing and reliable team ensures a fast and secure sales process.
